Join us for an Informational Evening about Facial Rejuvenation

Our introductory prices for Dysport and Restylane will be expiring at the end of the year. We would like to invite all of our patients to learn about our facial rejuvenation products, and take advantage of the low prices while they last!

Attendees of our informational event will have the opportunity to ask our Galderma Representative any questions they may have about the products and meet with Rachael Rayfield, PA-C, who specializes in otolaryngology and facial rejuvenation, for a free private consultation. Aspire Galderma Rewards will be offering a \$20.00 discount to all who sign up and choose to have cosmetic services at our office.

Attendees will secure the current promotion for one treatment with our Galderma products, for any date in the future. As always, you may schedule a regular office visit to discuss and/or receive the products prior to this date, if preferred.

When: November 29, 2018 at 6:00pm
